

# Our Speaker

## Sebastian DAEUNERT

### Current Position & Organization

Aviation Consultant Safety, Human Factors and Training

### Educational & Professional Background

German Abitur (diploma de liceu), 15 years active Air Traffic Controller TWR and APP Frankfurt, Germany, 10 Years Safety & Training Manager Frankfurt TWR, Germany, during semi retirement active participation Just Culture Committee Just Culture Task Force and Prosecutor Expert Course Eurocontrol  
Several Projects for DFS-Aviation Services

### Key Achievements or Career Highlights

Being an active Air Traffic Controller and enjoying it for so many years, being the safety manager that earned the trust and confidence of his ATCOs resulting in an open reporting culture, Human Factors Study Course (by Sidney Dekker), development and Execution of Training for new Control TWR/New Runway at Frankfurt, participation in development of Remote Contingency TWR for Munich Airport

### Hobbies & Personal Interests

Our dog Doby, a West Highland Terrier, hiking and walking, mostly in the Swiss Alps, spending time with our families and friends in Germany as well as Romania as my wife is from Constanta

### Motivation

I believe in the importance of Just Culture and Human factors in safety. I think there is always a story behind the story that went public. Finding out and showing the 'second victim' that someone cares to bring out their true story is very rewarding
